

Who We Are

At Extend Marketing, we deliver customized branded merchandise and apparel that aligns seamlessly with your brand identity and marketing goals. Through our personalized approach, we provide strategic guidance and high-quality products that drive brand visibility and engagement.

Our Core Competencies

- **Company Stores** – Streamline access to branded products for employees and clients with our tailored company store solutions.
- **Strategic Gifting** – Deliver impactful, customized gifting solutions for employees, clients, and prospects to strengthen relationships and drive loyalty.
- **Sustainable Options** – Ensure your branded merchandise reflects your commitment to the environment while maintaining quality and impact.

Who We Serve

We partner with **marketing** and **HR teams** at **global corporations** to enhance brand presence and employee engagement through custom merchandise and incentive programs. Our tailored approach ensures each solution is aligned with the unique needs and goals of the teams we work with.

Our Success

We've had the pleasure of working with industry-leading companies, providing company stores, strategic gifting, and event merchandise that make an impact:

- **Taft Law** – Company store custom build and execution, strategic gifting, and event merchandise.
- **TruChoice Financial** – Strategic C-suite level gifting, and event merchandise.
- **Locus (A CDW Company)** – Company store build and execution, strategic gifting, and event merchandise
